

NO - SPRAYING FORM

For voluntary non-chemical self-control of roadside noxious weeds and brush for County or Local Township Roads

I, _____, hereby agree that I do not wish to have Noxious Weeds or brush spraying done adjacent to the segment of road(s) described below, and I will voluntarily control the weeds and brush along this area of road right-of-way as required by local and state requirements.

I further agree that I will place clearly visible "No-Spray" signs at each end and corners of the road segment not to be sprayed. These signs must be located off the road right-of-way, may be permanent or temporary, and must remain intact and visible through the entire growing season of the year the road adjacent to my property is to be sprayed.

I further agree and understand that if the weeds/brush are not controlled to the satisfaction of the Road Authority, the County Noxious Weed Inspector, or the Local Weed Inspector with respect to requirements for safety of the traveling public and noxious weed laws by June 15th of each year, the Road Authority may spray this segment of road, even if the signs are in place.

Road # or Name: _____

Township: _____

Clearly describe (distance, etc.) road segment that is to be voluntarily controlled and provide a GIS Map from the Scott County GIS site indicating the road segments. <https://gis.co.scott.mn.us/SG3/> Please also include a picture of the sign(s) along with this form.
